Dear Families,

We want to thank you all for your patience and understanding during this time. We know it's not easy to be away from your loved ones for so long. We're all in agreement that we can't wait for this pandemic to be over and we can once again open our doors.

We've been finding ways to keep residents entertained with games, happy hours, music, movies and exercise. While we can't document everything, we have been posting photos and videos regularly on our Facebook page, www.facebook.com/ThePiperAL. We realize this doesn't replace person-to-person contact or the visits with your mom or dad, but it can be comforting to see what they're up to and that they're doing okay.

Thank you for dropping off care packages and special treats for your loved ones. In order to be more efficient, we will be limiting drop-off hours. You may bring any packages or mail 10 AM-2 PM Monday through Friday, and from 10 AM-12 PM on Saturdays.

As we all continue to practice social distancing, diligence with handwashing and other sanitization and safety measures, we need to have hope that this too shall pass.

Sincerely,

Heather Callahan
