

March 23, 2020

Dear Families,

As you are aware, officials in the Kansas City metro are putting a “Stay at Home” order for the entire metro area into effect Tuesday, March 24 at 12:01 AM. This includes Wyandotte, Leavenworth and Johnson Counties. In the order, individuals are to stay at home *except* for essential purposes and businesses.

Rest assured, The Piper is included as one of those essential businesses. Team members of The Piper will continue to provide daily care for the residents. We have communicated to all staff that they are expected to continue to come to work.

If you have any questions, feel free to call our main number, 913-400-7006, and someone will get back to you as soon as possible.

Sincerely,

Heather Callahan
