

March 12, 2020

Dear Friends of The Piper,

We are continuing to follow any new developments on Coronavirus precautions in order to maintain the safety of the residents at The Piper. Yesterday, the President addressed the nation and banned all non-essential visitors from coming into nursing homes and other communities, which includes The Piper Assisted Living & Memory Support.

The best way to eliminate exposure to the virus is by reducing the number of people coming into the building. Therefore, we have instituted a no-visitor policy until further notice.

Events hosted at The Piper that are open to the public, such as Coffee & Conversation and our professional networking meeting Connect the Dotte, are cancelled through April.

These steps are in place to help protect the residents we serve, and we hope we have your support in following these guidelines.

Sincerely,

Courtney Kabot  
Director of Marketing
