

July 22, 2020

Dear Families,

As we're all aware, there has been an increase in COVID-19 positive cases in Wyandotte County. With this, there has been a number of our employees who have been quarantined at their homes due to potential exposure.

We need to focus internally on meeting the needs of the residents, and have all hands on deck to support each of the houses.

**We are asking for understanding that for the next two weeks, we will not be accepting supplies/gifts/drop offs at the door or scheduling window visits. This goes into effect Thursday, July 23 through Monday, August 10.**

This temporary restriction in visits and drop offs will allow us to reallocate our resources.

We know this is not ideal, as many of you rely on those window visits and drop offs to connect with your loved ones. Our top priority is caring for the residents and keeping them safe.

Sincerely,

Heather Callahan  
Community Leader
