

September 9, 2020

Dear Families,

These two unseasonably cool days have served as a good reminder that fall and winter are coming. We understand the challenges of window visits when it's cold, rainy or snowy outside. Therefore, we are working on a new plan so you can continue to see your loved ones.

Please stay tuned for more information from us, as we come up with the safest and most practical way for visits to continue.

Sincerely,

Courtney Kabot  
Director of Marketing
